d. Approve/Deny NFA Application “for possible action”

(1) Christensen, Cory – DAG Reynolds swore in Mr. Christensen. Mr. Christensen waived his right to a closed session. Chair, Margaret McConnell explained that Mr. Christensen was before the Board because he checked No to Item 2 of the Application for Licensure as to whether he had any prior arrests or convictions. However, his background check disclosed an incident that took place on August 26, 2010. Mr. Christensen stated that he was arrested in August of 2010 for a DUI. He stated that in filling out the application he just read up to “felony” and answered No. He reported that he completed Court ordered education. Margaret McConnell expressed her concern about the DUI conviction, but also the ability to correctly complete the application. Mary Ellen Wilkinson asked about the completion of an AIT program. Mr. Christensen stated that he started his AIT program at Rosewood in Reno for 6 weeks, and then was asked to continue his training at Sonoma Health Care Center in Sonoma, CA under preceptor, Rusty Marsh. Terry Clodt inquired about the court ordered education. Mr. Christensen responded that it was 15 hours on everything from the dangers of alcohol to rules of the road. Mary Ellen Wilkinson also expressed her concern about how the application was completed. Mary Ellen Wilkinson moved that the Board approve the license of Mr. Christensen with the provision that he come before the Board quarterly, and bring with him his survey results demonstrating that his administrative skills are as they should be. Lindsay Hansen seconded. Margaret McConnell, asked that the motion be amended to add some consequence. Mary Ellen Wilkinson amended the motion adding that Mr. Christensen will report to the Board quarterly for the first year and if there is any instance where he came to the Board or was reported to the Board for sub-standard care, that would require a disciplinary hearing at which time he could lose his license. Lindsay Hansen seconded. Motion carried.
